### Summer holiday

It's hot in the United States in the summer. In Washington state, it doesn't rain much, but it still stays very green.

During summer we love to swim, lie in the sun, go camping, and spend nights at our friends' houses. We usually go somewhere with our parents. Last year we went to California for the first part of summer and then to Disneyland. We also visited famous people in Los Angeles. We met Nelly Furtado! After some rest, we went to Maine and Massachusetts with our mom, sister, and a friend. We stayed with our grandfather in Massachusetts, and then we went camping in Maine. We played on the beaches and went sailing.
